

Do you want a conservatory you can enjoy all year round?

Supalite Warm Roof Installers

At last!

Climate control for your existing conservatory!

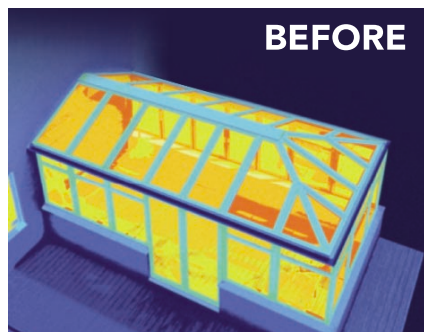

"The whole job was completed in less than a week and the difference the new roof has made surpassed our expectations"

Transform your existing conservatory roof to a warm insulated tiled roof

Let Falcon replace your old polycarbonate or glass conservatory roof with an energy efficient light weight tiled roof. We will transform your cold conservatory into a comfortable temperature controlled living space within 3-4 days (subject to size).

- Make your home more efficient and reduce energy bills
 - Ensure a pleasant temperature all year round
 - Reduce noise and sun glare
 - Reduce heat loss by up to 90%
 - 10-year guarantee
 - Local building control approved with each installation
- Call Falcon today for a free no obligation quote or visit our website: www.falconwindows.com
