# THE AMAZING HEDGEHOG™

KEEPING GUTTERS CLEAR - ALL YEAR ROUND

MADE IN THE UK

Blocked gutters can be a constant worry: the lack of regular, and often precarious maintenance can cause irreversible damage to down pipes, roof tiles and gutters. This damage can, in turn, lead to more problems.

But now there's HEDGEHOG™ – a continuous polypropylene 'brush' which prevents the build up of wind-blown debris.

- Fits around corners to most types of gutter
- Fitted in minutes
- Virtually indestructible
- Pays for itself in no time (cover the cost in the first year)
- Maintenance free
- Can easily be removed if necessary
- Stainless steel inner twisted wire centre
- Available in several diameters
- 100mm suitable for most domestic & deep flow guttering
- 125mm suitable for oversize or commercial use
